Air 1 has had such an impact on my life, in a way that I can not even describe. This station and it's affiliates reach out to the community and give hope to everyone who hears the music and the testimonials. They encourage community involvement, volunteer work, participating in the upcoming elections, and most of all loving everyone you meet as Christ calls us all to. Please do not make any changes in the way they must operate or the way I must listen, and yes I must listen because God needs this station!
